

Property Lines & Casualty Insurance

Risk-protecting, balance-sheet-resilient insurance solutions

Core Products

Property Damage & Business Interruption

Covers physical loss or damage to assets and associated loss of income arising from insured perils, including fire, natural catastrophe, machinery breakdown and accidental damage.

Construction & Engineering (CAR / EAR)

Covers specific, known, quantifiable tax contingencies (grey areas of tax law).

Casualty / Third-Party Liability

Covers legal liability arising from bodily injury, property damage and associated defence costs, including public, products and employers' liability. This includes General Liability, Medical Malpractice, Product Recall, Construction Liability and Abuse & Molestation.

Specialty & Structured Property Solutions

Covers legal liability arising from bodily injury, property damage and associated defence costs, including public, products and employers' liability. This includes General Liability, Medical Malpractice, Product Recall, Construction Liability and Abuse & Molestation.

Political Violence and Terrorism

Terrorism; SRCC; War
